## The Ongoing Battle for the Sabbath

What about modern instances of ministers who taught that the fourth commandment has been abolished? How have their respective denominations dealt with their claims? What are the decisions on the Christian Sabbath of the Synod of Dordt (1618-1619)? What influence did the British delegates' have upon this? What is the biblical basis for the historic Protestant understanding of the Sabbath commandment? How are we to maintain this ancient and glorious landmark?

## Who Is Jesus?

Teen Devotional on the Gospel of John

*Abby Van Solkema*  
(89 pp., softback)

Contrary to what many believe today, neither the truth that Jesus is both really God and really man, nor the way that He views the people on this earth, are ideas about which you can simply make up your own opinion. These truths are clearly taught in the pages of Scripture and are “profitable for doctrine, for reproof, for correction, for instruction in righteousness” (II Tim. 3:16).

So who is Jesus? John’s inspired gospel account of our Saviour’s ministry will help you answer this question biblically and show you just how important is the answer to the question. When you fall into sin or are tempted to sin or when you suffer hardship and loss, there is great comfort in knowing who Jesus is—the Lamb of God who takes away the sin of the world!
