ANNOUNCEMENTS

Welcome to our worship services today. A special welcome to any visitors. It is our prayer that God will be pleased to bless us spiritually, as we seek to worship Him "in Spirit and in truth" (John 4:24).

Today we will remember our 9th Anniversary as a Reformed church. We thank God for His goodness is delivering us from errors and bringing us to a saving knowledge of the blessed truths of the Bible and the Reformed faith. May our God keep us faithful as we seek to continue to walk the old paths (Jeremiah 6:16).

Prof. Herman Hanko, a retired professor of the Protestant Reformed Churches in America, will lead our worship service today. May the Lord bless our worship, and use it for our spiritual good.

The offerings taken today are for the General Fund and the Benevolence Fund.
