

Welcome!

We extend to you a hearty welcome to this the second annual Reformation Rally, sponsored by the Protestant Reformed Churches in the Grand Rapids area.

A special greeting to those in our audience who are not members of the Protestant Reformed Churches! We consider it a high privilege to share with you in the rich heritage which by the grace of God has been bequeathed to us, the children of the Reformation.

It is our humble prayer that you will receive a blessing this evening as you witness and take part in this program! We will be most delighted if our message in word and song inspires and invigorates your spiritual life, and stimulates your love for the truth, the truth which the Reformers so zealously strove to enunciate and maintain. May this program be used by the Lord to serve for your edification and His glory!

ANNOUNCEMENTS

The Protestant Reformed Churches in this area are sponsoring a series of lectures, beginning in January, and covering the Five Points of Calvinism. The plan is to have one lecture a month. The first two will be delivered by Professor H. Hanko, the third by Professor H. C. Hoeksema, and the last two by the Reverend G. J. Van Baren. All of these lectures will be held in the First Prot. Ref. Church, corner of Franklin and Fuller, Grand Rapids, Michigan, unless these facilities should prove to be inadequate. These programs will be sufficiently advertised. So watch for the announcements and plan to attend!

The speech of this evening will again be printed in booklet form, and the entire program is being taped. If you desire the printed message, and if you desire a recording of this program, kindly send your requests to Rev. M. Schipper, 1543 Cambridge Ave., S.E., Grand Rapids, Michigan 49506. The printed message is free, but there will be a small charge for the recording to cover expenses.

We also inform you that copies of the first Rally speech "Our Reformed Heritage" and copies of the booklet "In The Beginning God", three lectures by Prof. H. C. Hoeksema, are available for the taking in the lobby.
