Books: Summer is here. Take some time this summer to read as a family. The following biographies written by Simonetta Carr will keep the children’s attention and teach them church history and the struggle saints had to face to uphold the truth.

A description of Athanasius:

“A complex and fascinating character, Athanasius, bishop of Alexandria, is best remembered as the Father of Orthodoxy, upholding the doctrine of the Trinity against the Arian heresy. In the newest addition to the Christian Biographies for Young Readers series, author Simonetta Carr introduces children to the life and times of this important church father who tirelessly defended the Nicene Creed... Born during the Great Persecution, forced five times to leave his church and city, and constantly threatened by those who tried to ruin his reputation, Athanasius provides an example of godly faithfulness. Beautiful illustrations and a winsome, simply written narrative will bring the Nicene Creed to life for children of all ages, prompting relevant discussions on the divinity of Christ and the importance of creeds and confessions.”

Other titles by S. Carr, each retailing at \$18.00 are: Anselm of Canterbury, John Calvin, Augustine of Hippo, John Knox, John Owen, and Lady Jane Grey.
