September – 2016

25% off month!

Email: ReformedBookOutlet@att.net

Web site: www.reformedbookoutlet.weebly.com

September is one of Reformed Book Outlet's 25% off sale months.

Almost all of our books, and all Bibles and Bible covers are 25% off all month.

The sale does not include NET books, such as cookbooks, and Psalters.

Nor does it include any music CDs or cards.

Fitting Praises Cds: We still have volumes 3, 4, 6, 8, and 15 left for \$3.00 each. These will remain on sale for \$3.00 each, only through the month of September. These Cds make great gifts, especially for shut-ins.

Once again school is starting, and soon our Bible societies will begin meeting. You are able to find many helpful books for these needs at RBO.

We stock a large variety of King James Bibles; regular print, large print, extra-giant print, compact size, study Bibles, Bibles with notes for youth, and parallel Bibles.

We keep on hand a good supply of Bible study aides such as Strong's and Young's Concordances, and Naves Topical Bible, etc. We have several Bible dictionaries, and Bible atlases.

Our commentary section includes many volumes on one book of the Bible, in addition to a one-volume commentary on the whole Bible, and a six volume commentary on the whole Bible. In addition to actual commentaries, we have many books written concerning certain themes and people of scripture. We can also try to special order any particular book you might need that you can't find in the store, and if possible – at 25% off.

We carry the entire inventory of RPFA books and study guides - priced at 25% off this month. If your child's class is using Suffer Little Children or Show Me Thy Ways by Gertrude Hoeksema, you can purchase the book for yourself at RBO for additional help at home; and for your child's piano lessons – Marilyn DeVries' Praise His Majesty is also 25% off.

Be sure to stop in at RBO for all your needs as you begin the school year, and the society season.

We will also have a 30% off table during the month of September, with many fiction books, (Lori Wick and Wanda Brunstetter titles among others) and some overstock of Christian living titles.

Let us help build your religious library
